\* The Average Daily Private Pay Rate for nursing facility care is obtained from the Long-Term Care Annual Data Profile reports of the Office of Statewide Health Planning and Development. The data reported lags two years. For this reason, the rates posted in this table have been adjusted to reflect the current rate. This rate is arrived at by multiplying each lag year's rate in the report by 4.5% (the most recent 20 year average rate of increase in the cost of care.)
